

Description	SOLID Crown, 2-5/16" x 2-5/16" V-BLOCK	W&H Item #	2033-VB
-------------	---	------------	---------

Printing may distort actual profile measurement. Print in "Actual Size", outer border should measure 8" x 10-1/2"

Due to a depth of cut greater than 3/4" this knife will need to be used in conjunction with a customer supplied V-block, typically made of wood.
